5. Supporting Documentation to be forwarded with the completed application on controlledgoods@gov.mt

- The number of vaccine doses of goods covered by Implementing Regulation (EU) 2021/442, distributed since 1 December 2020 broken down by Member State, as well as information on the number of vaccine doses of goods covered by this Regulation distributed in Northern Ireland since the entry into force of Implementing Regulation (EU) 2021/111.
- Vaccines manufacturers that have concluded APAs shall provide electronically with the first request for authorization the relevant data concerning their exports in the last three months prior to entry into force of Implementing Regulation (EU) 2021/111. The information is to include the volume of exports of COVID-19 vaccines, the final destination and the final recipients and a precise description of the product under the form of a table containing the number of doses per destination and recipient (row) and exported per week (column) in Excel or Word format.

6. Comments

7. Declaration

By means of this application, I am hereby applying for an export authorization. I confirm that the data I am supplying in this application is correct. I hereby give my consent to the Commerce Department to process and record the personal information which I am providing in this application, and to exchange this information with Government and European Authorities, as necessary.

I am a declarant (o.b.o. the exporter)
